

Boswellia Frereana Essential Oil

Boswellia Frereana Essential Oil starts with our directly sourced NOP certified oleo gum resin which is then hydro-distilled in small batches resulting in one of the most alluring and prized essences of the ages. Both an anti-inflammatory and revitalizer, this deep amber oil has an earthen, slightly musky scent. Rub it into joints to promote health. The aroma of Boswellia frereana has been shown to be uplifting, relaxing, and centering. Just a few drops in a diffuser or small bowl of hot water will fill your space with a sense of can do.

- 100% organic distilled essential oil
- Healing properties: Anti-inflammatory, joint health
- Cosmetic/Aromatherapy uses : natural cologne, revitalizing, uplifting & centering

A superb anti-inflammatory and revitalizing scent, Boswellness Frereana Essential Oil contains no synthetic or chemical ingredients. Just pure distilled essential oil with the health and mood benefits of frankincense.
